

NOTICE TO OWNERS

313 Lake Circle

Thursday, April 16, 2020

In conjunction with the roof replacement by Storm Roofing, Inc., the A/C company Custom Mechanical, Inc. (CMI), will be removing the existing A/C units on the roof. Prior to that, the units must be inspected, both inside the condo and on the roof.

On THURSDAY, APRIL 16, 2020 starting at 9 am, CMI and a Board member will knock on your door to inspect the air handler in your unit.

Due to the Coronavirus threat, the board and CMI will take precautions by wearing masks, gloves and booties.

We thank you for your anticipated cooperation.
